

March 16 Board Meeting Minutes JR was absent. Tom started the meeting with the pledge to the flag and a moment of silence. There were no new residents. Leigh gave the treasurer's report, see the bulletin board for a full report. Treasurers report was approved. General comments, Covid updates were discussed and everyone encouraged to continue to stay safe and avoid risks. We are counting on each other to keep everyone safe and be respectful of everyone. The fair has been canceled and have a Christmas sale in the fall, the date and time will be decided by Jerry. Furniture is still for sale on Friday mornings. Tom thanked everyone for the fish fry on Pinecrest. The best part was the eating. Thank you to everyone who assisted Richard and Anne Marie Nord to get their stuff packed up in 4 hours, so they can relocate to Nebraska. Thanks to all the volunteers. Thanks to Herman and his "henchmen" doing the road patching, and the clean up of the creekbed by the bridge. Patty read the minutes from the February board meeting. They were approved. There was a discussion about the benches. The one on Pinecrest is up and ready to go. For a memorial bench, the family will cover the cost of the bench, blocks, with a cost of \$200.00. The family will provide the plaque with the information about the memorial. The Pool was evaluated and the information about the status of the pool. We are awaiting her report. There was a discussion about putting a screening above the shuffleboard court to keep the sun off. There has been a lot of interest on a dog park, still collecting information regarding cost, location, etc. Architectural committee-all requests approved, carports, screen rooms, and a new home. Buildings and grounds-Herman thanked everyone who helped with the road repair and Gene Fischer and Tim Hertl working a chain saw clearing the banks near the bridge. Herman had a map of the direction of the garbage trucks to reduce usage on our roads, it will begin in May. Please see where your garbage cans will go on your street. Asking for anyone who can help with raking leaves on Saturday morning. Bill had limited space in the compound. Tom said to make sure there is a limit of one per household. Pool update-Frank Brown-new drain cap put in place. Cleaning the big filter out once a month. Please, rinse off sunscreen before getting into the pool. New chairs at the pool. If you see something broken, please let the board know so it can be repaired or replaced. A set of keys were found in the lock at the compound, they are in the office. Neighborhood watch-Judy Heroux wants to step down from leader of neighborhood watch. There is a lot of information available on the subject, if interested, please let a board member know. Judy reminded everyone to update any information about who to contact in case of emergency, current phone numbers, etc, please keep information current. Judy was thanked for her service. Tom discussed folks who have shelters in their home and the need to know where they are in case they are in need of assistance. Cindy listed the time and dates of card games, assured us next year will be better, Bingo tonight, 2 people at small tables, 3 at large table, starts at 7. Getting ready for spaghetti dinner on Thursday, have a lot of help, please stay organized. If activities are to continue through the summer, lets work at that. Another play is being planned for next season. Plans to clean the clubhouse, need volunteers. Lots of activities, the pool table will have the top replaced soon. All activities will be limited to Covered Bridge residents, except for what has been previously stated. When in public, protect yourself, feeling ill, stay home and pick up dog poop. Rick encouraged everyone to take advantage of the vegetable truck Saturdays from 9-12, also the ice cream and food truck from 12-2 on Wednesdays. Henry Pruess wants to thank everyone who volunteers, and put the garbage cans as close to the road as possible, keeps garbage trucks off the edge of the road. Zoom meetings will continue and if anyone has any feedback, contact Tom and it will be addressed. Tina Altic has a presentation about

Americans for Prosperity, her organization gets info to legislators the information from the public.
